January 25, 2011

Dear Pacific Northwest Conference Student Chapter:

This is your 2011 Pacific Northwest Student Conference Mailer II, the second of three packets to be sent to each of the participating chapters. Please read carefully through this packet and distribute copies to the appropriate chairpersons.

The key dates are:

- **Friday, February 11, 2011:** Return attached **INDIVIDUAL REGISTRATION** and **EVENT PARTICIPATION** forms. We need to order T-shirts ASAP so please let us know sizes for your participants. The \$80 per individual is still due February 25, 2011 along with the school registration fee and form. We also need to know what events you are participating in by Feb 11<sup>th</sup>. If fewer than three chapters sign up for an event, it will be canceled.
- **Friday, February 25, 2011:** Return attached **SCHOOL REGISTRATION** form with payment of individual and school registration fees.
- **Thursday, March 10, 2011:** This is the last day for reserving rooms at the conference hotel at the discounted rate.

All of the rules for each event and a tentative schedule of the conference are posted on our chapter's new and improved website:

[http://asce-uaa.com/2011\\_PNWRC\\_home.html](http://asce-uaa.com/2011_PNWRC_home.html)

There is also an interactive campus map, the 'abbreviations' found on the map will correspond to the locations on the tentative schedule. The hotel is not shown on the interactive map but is located in between the University Lake Building and the University Lake.

If you have any questions, feel free to contact us at the following e-mail address: ASCE.UAA@gmail.com. We will do everything possible to answer your questions in a timely manner.

We look forward to seeing you in the spring!

Sincerely,

A handwritten signature in black ink, appearing to read 'Rachel Kidwell', followed by a long horizontal line extending to the right.

## 2011 Pacific Northwest Conference Event Participation Form

**Response Requested by February 11, 2011**

Please check the following boxes if your chapter is planning on participating in the events:

| Event                                 | Yes | No |
|---------------------------------------|-----|----|
| Steel Bridge                          |     |    |
| Technical Paper and Presentation      |     |    |
| Business Meeting                      |     |    |
| Concrete Bonspiel (Curling)           |     |    |
| Orienteering with an Engineers Twist  |     |    |
| Fun With Asphalt*                     |     |    |
| Mystery Event - Environmental Themed* |     |    |
| Ice Breaker – Engineers Jeopardy      |     |    |

\*These events will be short and require little to no preparation time.

Before making a decision we highly recommend taking another look at the website for event descriptions and rules. These events were designed to have fun with an engineering theme. ☺

## 2011 Pacific Northwest Professional Opportunities

### Career Fair

A career fair will be taking place on Friday, April 1, 2011. We are expecting a number of national, regional and local firms represented at this fair. This is a great opportunity for students looking for internships and/or a career. We encourage you to bring a stack of resumes.

### **Western and Pacific Region of the National Society of Professional Engineers (NSPE) Annual Meeting**

In addition to the career fair, this year a professional society will be providing seminars and other events to help integrate professional engineers with attending students and faculty members. Concurrent with the ASCE PNW Student Conference, the Alaska Society of Professional Engineers (ASPE) will be hosting the Western and Pacific Region of the National Society of Professional Engineers (NSPE) Annual Meeting. The annual meeting will be held at Springhill Suites all day Saturday and the attending NSPE regional delegates will be in attendance at the ASCE Awards Banquet that evening. On Friday, ASPE will be hosting seminars comprised of two separate tracks, professional development and technical. As a courtesy to attending faculty and advisors, ASPE will be offering reduced registration fees (\$75) to those who wish to attend the seminar series. The registration fees include lunch with a keynote presentation by the current NSPE President, Michael Hardy, PE. Please note that any companies participating in the career fair will be offered the same reduced registration fee for the seminars plus two complimentary seats at the luncheon. Lastly, at the end Friday's events ASPE will be sponsoring a professional-student mixer to celebrate everyone's accomplishments.

For more information regarding these events and others please visit our new and improved website: [http://asce-uaa.com/2011\\_PNWRC\\_home.html](http://asce-uaa.com/2011_PNWRC_home.html)
